Well I've drunk to drown, on every ocean I've been
Lake Tanganyika, where the crocodiles swim.
Halifax, Nova Scotia to Van Diemens land
Well I drank with the Sultan, down the Suez Canal

[Chorus]

Cause Every Dog Has Its Day
Like every woman, she gets her own way
And if there's a ship that sails tonight
I'll captain that too, just to be there with you

Well there was old Jerry Rooney, who was mad as a
mule
Spillblood Maloney had a head like one too
That night on the bridge, with my shovel in hand
Well he threatened to kill me; for sure he picked the
wrong man

(Chorus)

Well there was mutiny in Lagos, aboard the mean ship
Skondi
Ten or twelve days in prison, till the bastards set me
free
McCloskey you're free

(Chorus)

Now I love the sea and she wants me back
So I leave this ol' harbor, with the wind at me back
Goodbye mother Theresa, I hope the kids settle down
I must head for the Chinas; pray to God I don't drown

(Chorus x2)

Just to be there with you (repeat x5)
