Feel the words from my lips,
To your heart's fingertip,
And you know where I come from,
Cause I know, yes i know,
Everything there is to know,
Cause I lost everything I had...

See I,
I could have danced on the sun,
But my world came un-done...

Lauraaaaa

There's no need for tears,
Cause there's no need to cry,
That love that you leave
Will never be denied,
This pain in my head,
Escaped from my heart,
No woman alive could touch who you were,

So bye bye Laura,
There's no one to take your place,
Bye bye Laura,
Your beauty will never fade,

They'll say thats your song,
Will reach for the sky,
This love that you leave
Will never be denied,
And after the song,
The spirit lives on,
Though your not around,
You'll never be gone,

So bye bye Laura,
There's no one to take your place,
Bye bye Laura,
Your beauty will never fade,

But I,
I could have danced on the sun

But my world came un-done
Lauuuura

Yet I,
I could have danced on the sun
But my world came un-done
Bye bye laura, bye bye laura....

So bye bye Laura,
Bye bye Laura,
This pain in my head,
Escaped from my heart,
No woman alive could touch who you were.

So bye bye Laura,
There's no one to take your place,
Bye bye Laura,
Your beauty will never fade,
So bye bye Laura,
There's no one to take your place,
Bye bye Laura,
Your beauty will never fade, ...fade.
