

Flogging Molly **"Prayer for Me in Silence"**

Visit "[Prayer for Me in Silence](#)" on MotoLyrics.com

I've been walking miles forever
Through these footprints of my life
When I offered you my sadness
You took home with delight

Eat my heart when you are hungry
I have nothing more to give
Let us not forget each other
When I won't be there to speak

So say a prayer for me in silence
No cathedral'll mark our hearts
That's when I will be forgiven
Let us never fall apart, let us never fall apart

I've been wrong on more occasions
That I'd like to recognize
But there's room in our vocation
If you read between the lines

Every house needs a foundation
So the mortar we'll supply
Will be broke but never broken
Let us laugh until we cry

So say a prayer for me in silence
No cathedral'll mark our hearts
That's when I will be forgiven
Let us never fall apart

So say a prayer for me in silence
No cathedral'll mark our hearts
That's when I will be forgiven
Let us never fall apart, let us never fall apart
