

Flogging Molly **"So Sail On"**

Time to take a breath once more
Before the hammer blows
Wrap myself around the veil
Against the bitter cold

Body bruised from selfishness
The penny dropped to laid our egos

So sail on, to all now aboard
So sail on to you

Raise my glass to all before
True friends I have known
Take me to my virgin grave
Beneath the haunting snow

Nothing left but fare thee well
I wish you health and please take care

So sail on, to all now aboard
So sail on to you

So sail on, to all now aboard
So sail on to you
So sail on, to all now aboard
So sail on to you

So sail on, to all now aboard
So sail on to you
