You hit me once
I hit you back
You gave a kick
I gave a slap
You smashed a plate over my head
Then I set fire to our bed

You hit me once
I hit you back
You gave a kick
I gave a slap
You smashed a plate over my head
Then I set fire to our bed

My black eye casts no shadow
Your red eye sees no blame
Your slap don't stick
Your kicks don't hit
So we remain the same
Blood sticks
Sweat drips
Break the lock if it don't fit

A kick in the teeth is good for some
A kiss with a fist is better then none

A kiss with a fist is better then none

I broke your jaw once before
I spilled your blood upon the floor
You broke my leg in a return
So let's sit back and watch the bed burn

Blood sticks
Sweat drips
Break the lock if it don't fit

A kick to the teeth is good for some
A kiss with a fist is better then none

A kiss with a fist is better then none

You hit me once
I hit you back
You gave a kick
I gave a slap
You smashed a plate over my head
Then I set fire to our bed

You hit me once
I hit you back
You gave a kick
I gave a slap
You smashed a plate over my head
Then I set fire to our bed

You hit me once
I hit you back
You gave a kick
I gave a slap
You smashed a plate over my head
Then I set fire to our bed
