Seems that I have been held in some dreaming state  
I twist in the waking world, never quite awake  
No kiss, no gentle word could wake me from this  
slumber  
Until I realize that it was you who held me under

Felt it in my fist, in my feet, in the hollows of my eyelids  
Shaking through my skull, through my spine  
And down through my ribs

No more dreaming of the dead as if death itself was  
undone  
No more crawling like a crow for a boy, for a body in  
the garden  
No more dreaming like a girl so in love, so in love  
No more dreaming like a girl so in love, so in love  
No more dreaming like a girl so in love with the wrong  
world

And I could hear the thunder and see the lightning  
crack  
And all around the world was waking, I never could go  
back  
'Cause all the walls of dreaming, they were torn right  
open  
And finally it seemed that the spell was broken

And all my bones began to shake, my eyes flew open  
And all my bones began to shake, my eyes flew open

No more dreaming of the dead as if death itself was  
undone  
No more crawling like a crow for a boy, for a body in  
the garden  
No more dreaming like a girl so in love, so in love  
No more dreaming like a girl so in love, so in love  
No more dreaming like a girl so in love with the wrong  
world

Someone's stitching up the circuit boards  
Someone's slipping through the hidden door  
Someone's stitching up the circuit board

No more dreaming of the dead as if death itself was  
undone  
No more crawling like a crow for a boy, for a body in  
the garden  
No more dreaming like a girl so in love, so in love  
No more dreaming like a girl so in love, so in love  
No more dreaming like a girl so in love with the wrong  
world

Someone's stitching up the circuit boards  
Someone's slipping through the hidden door  
Someone's stitching up your circuit board  
Someone's slipping through the hidden door
