Oh, oh, oh, oh, oh
I was looking for a breath of life
A little touch of heavenly light
But all the choirs in my head sang,
No oh oh
To get a dream of life again
A little vision of the start at the end
But all the choirs in my head sang,
No oh oh
But I needed one more touch
Another taste of heavenly rush
And I believe, I believe it
So oh oh oh
Who's side am I on?
Who's side am I?
Who's side am I on?
Who's side am I?
And the fever began to spread
From my heart down to my legs
But the room is so quiet,
Oh oh oh
And although I wasn't losing my mind
It was a chorus so sublime
But the room was too quiet,
Oh oh oh
I was looking for a breath of life
A little touch of heavenly light
But all the choirs in my head sang,
No oh oh
[Instrumental]
It's a long way and it's come to claim her
And I always say,
We should be together
I can see the look,
Because this song has began it
And if you are gone,
I will not be long (Be long, be long, be long)
And I started to hear it again
But this time it wasn't the end
And the room is so quiet,
Oh oh oh
And my heart is a hollow plane

For the devil to dance again
And the room is too quiet
I was looking for the breath of a life
A little touch of a heavenly life
But all the choirs in my head sang
No, oh oh
