Oh, oh, oh, oh, oh, (oh, oh, oh, oh, oh, oh) oh, oh, oh,  
oh

I was looking for a breath of life  
A little touch of heavenly light  
But all the choirs in my head sang no oh oh oh

To get a dream of life again  
A little vision of the start and the end  
But all the choirs in my head sang no oh oh oh

But I only needed one more touch  
Another taste of heavenly rush  
And I believe, I believe it so oh oh oh

And I only needed one more touch  
Another taste of divine rush  
And I believe, I believe it so oh oh oh

Whose side am I on? Whose side am I  
Whose side am I on? Whose side am I

And the fever begins to spread  
From my heart down to my legs  
But the room is so quiet, oh oh oh oh

And although I was losing my mind  
It was a chorus so sublime  
But the room is too quiet, oh oh oh oh (I believe it)

I was looking for a breath of life  
A little touch of heavenly light  
But all the choirs in my head sang no oh oh oh (I  
believe it)

To get a dream of life again  
A little vision of the start and the end  
But all the choirs in my head sang no oh oh oh

(And the final dream of life  
And the chorus so sublime  
And the room was so quiet)

Ha oh..

Ha oh..

It's a harder way and it's come to claim her  
And I've always said, we should be together  
I can see below, 'cause there's something in here  
And if you are gone, I will not belong, belong here

And I started to hear it again,  
But this time it wasn't the end,  
And the room is so quiet, oh oh oh oh

And my heart is a hollow plain  
For the devil to dance again  
And the room is too quiet, oh oh oh oh

I was looking for the breath of life  
A little touch of heavenly light  
But all the choirs in my head sang no oh oh oh
