Happiness / hit her / like a train on a tra-ck  
Coming towards her / stuck still / no turning ba-ck  
She hid around corners / and she hid under beds /  
She killed it with kisses and from it she fl-ed /  
With e-very bubble she sank with a drink /  
And wa-shed it away down the kitchen sink.

The dog days are over  
The dog days are done  
The horses are comin' so you better run

Run fast for your mother; run fast for your father /  
Run for your children all your sisters and brothers /  
Leave all your love and your longing behind.  
You can't carry it with you / if you want to survive

The dog days are ove-r /  
The dog days are do~ne /  
Can you hear the horse-s/  
'Cos here they come

And I- never wanted /  
anything from yo-u /  
Except /  
e-everything / you had  
And / what was left after that too / Oh!

Happiness / hit her / like a bullet in the ba-ck  
Struck from /a great height

By someone /who should have known be-tte-r / than  
tha-t

The dog days are ove-r /  
The dog days are do~ne /  
Can you hear the horses /  
'Cos here they co-me

Run fast for your mother / run fast for your father  
Run for your children all your sisters and brothers  
Leave all your love and your longing behind  
You can't carry it with you / if you want to survive

The dog days are ove-r /  
The dog days are do~ne /  
Can you hear the horse-s/  
'Cos here they co-me/

The dog days are ove-r /  
The dog days are do~ne /  
The horse-s are co-min'  
So you'd better ru-n /

The dog days and over-r /  
The dog days are do~ne /  
The horse-s are co-mi -n' /  
So you'd better ru--n
