I've fallen out of favour,
And I've fallen from grace,
Fallen out of trees,
And I've fallen on my face,
Fallen out of taxis,
Out of windows too,
Fell in your opinion,
When I fell in love with you

Oh-oooh (repeated)

Sometimes I wish for falling,
Wish for the release,
Wish for falling through the air,
To give me some relief,
Because falling's not the problem,
When I'm falling I'm in peace,
It's only when I hit the ground,
It causes all the grief

Oh-oooh (repeated)

This is a song for a scribbled out name,
And my love keeps writing again and again,
This is a song for a scribbled out name,
And my love keeps writing again and again,
And again (x15)

I'll dance myself up,
Drunk myself down,
Find people to love,
Love people too drunk,
I'm not scared to jump,
I'm not scared to fall,
If there was nowhere to land,
I wouldn't be scared,
At all (x4)
All (repeated)

Sometimes I wish for falling,
Wish for the release,
Wish for falling through the air,

To give me some relief,
Because falling's not the problem,
When I'm falling I'm in peace,
It's only when I hit the ground,
It causes all the grief
