We got married in a fever
Hotter than a pepper sprout
We've been talkin bout Jackson
ever since the fire went out

I'm going to Jackson
I'm gonna mess around
I'm going to Jackson
look out Jackson town

Well I'm going down to Jackson
go ahead and wrap your hat
go play your hand you big talkin man
and make a big fool of yourself
And go to Jackson
Go comb your hair

Honey Ill (snowroad) Jackson
See if i care oooohh

While I breeze into the city
people comin snoopin by
all them women gonna make me
teach them what they all about

yea I'm goin to Jackson
gonna loose my coat
yea I'm going to Jackson
goodbye that's all she wrote

but they'll look at you and Jackson
and ill be dancing on a pony keg
they'll need your arms (unlike you stole it)
and with your tail up between your legs
and go to Jackson
you big talking man
and ill be waiting in Jackson
behind my *?

we got married in a fever
hotter than a pepper sprout

we've been talking bout Jackson
ever since the fire went out
were going to Jackson
and that's a fact
were going to Jackson
and never coming back

we got married in a fever
hotter than a pepper sprout
we've been talking about Jackson
ever since the fire went out
ever since the firs went out
ever since the fire went out
