You are the hole in my head  
You are the space in my bed  
You are the silence in between  
What I thought and what I said

You are the night-time fear  
You are the morning when it's clear  
When it's over your start

You're my head  
You're my heart

No light, no light in your bright blue eyes  
I never knew daylight could be so violent  
A revelation in the light of day

You can't choose what stays and what fades away  
And I'd do anything to make you stay

No light, no light  
No light

Tell me what you want me to say  
Through the crowd I was  
Crying out and  
In your place there were a thousand other faces

I was disappearing in plain sight  
Heaven help me  
I need to make it right  
You want a revelation  
You want to get right  
But it's a conversation  
I just can't have tonight

You want a revelation  
Some kind of resolution  
You are the revelation

No light, no light in your bright blue eyes  
I never knew daylight could be so violent  
A revelation in the light of day

You can't choose what stays and what fades away  
And I'd do anything to make you stay

No light, no light  
No light

Tell me what you want me to say  
But would you leave me,  
If I told you what I've done

And would you leave me  
If I told you what I've become  
'Cause it's so easy,  
To sing it to a crowd  
But it's so hard, my love  
To say it to you, all alone

No light, no light in your bright blue eyes  
I never knew daylight could be so violent

A revelation in the light of day,  
You can choose what stays and what fades away  
And I'd do anything to make you stay

No light, no light  
No light

Tell me what you want me to say

You want a revelation  
You want to get right  
But, it's a conversation  
I just can't have tonight  
You want a revelation  
Some kind of resolution.  
You are the revelation.

You want a revelation  
You want to get right.  
But, it's a conversation,  
I just can't have tonight.  
You want a revelation  
Some kind of resolution  
Tell me what you want me to say
