I'm gonna tell you how it's gonna be  
You're gonna give your love to me  
I wanna love you night and day  
You know my love not fade away  
You know my love will not fade away

My love is bigger than a cadillac  
I try to show it and you drive me back  
Your love for me got to be real  
For you to know just how I feel

A love for real'll not fade away  
A love for real'll not fade away  
I'm gonna tell you how it's gonna be

You're gonna give your love to me  
A love to last more than one day  
Cos a love for real won't fade away  
A love that's love not fade away  
I'm gonna show you how it's gonna be  
You're gonna give your love to me  
A love to last more than one day  
Cos a love that's love not fade away  
A love that's love not fade away  
Cos a love that's love not fade away  
A love that's love not fade away  
A love that's love  
A love that's love  
A love that's love not fade away
