And I had a dream  
About my old school  
And she was there all pink and gold and glittering  
I threw my arms around her legs  
Came to weeping, Came to weeping

Then I heard your voice as clear as day,  
And you told me I should concentrate,  
It was all so strange,  
And so surreal,  
That a ghost should be so practical.

Only if for a night  
And the only solution was to stand and fight,  
And my body was bruised,  
I was set alight,  
But you came over me like some holy light,  
And although I was burning,  
You're the only light  
Only if for a night

The grass was so green against my new clothes,  
And I did cartwheels in your honor, dancing on tiptoes  
My own secret ceremonials before the service began,  
In the graveyard, doing handstands.

And I heard your voice as clear as day,  
And you told me I should concentrate,  
It was all so strange,  
And so surreal,  
That a ghost should be so practical.

Only if for a night.  
And the only solution was to stand and fight,  
And my body was bruised,  
I was set alight,  
But you came over me like some holy light,

And although I was burning,  
You're the only light.  
Only if for a night.

Ooohh,  
Oooohhh,  
Woah-woah-woah.

My darling, my dear, my darling,  
Tell me what all this sighing's about,  
Tell me what all this sighing's about.

And I heard your voice as clear as day,  
And you told me I should concentrate,  
It was all so strange,  
And so surreal,  
That a ghost should be so practical.

Only if for a night.  
Yeyeyeye-yeyeyeye-ahhaaoooh.  
Only if for a night.  
Yeyeyeye-yeyeyeye-ahhaaoooh.  
Only if for a night.  
Yeyeyeye-yeyeyeye-ahhaaoooh.  
Only if for a night.  
Yeyeyeye-yeyeyeye-ahhaaoooh.  
Only if for a night.  
Yeyeyeye-yeyeyeye-ahhaaoooh.  
Only if for a night.  
Yeyeyeye-yeyeyeye-ahhaaoooh.  
Only if for a night.  
Yeyeyeye-yeyeyeye-ahhaaoooh.  
Only if for a night.  
Yeyeyeye-yeyeyeye-ahhaaoooh.  
Only if for a night
