Regrets collect like old friends
Here to relive your darkest moments
I can see no way, I can see no way
And all of the ghouls come out to play
And every demon wants his pound of flesh
But I like to keep somethings to myself
I like to keep my issues strong
Its always darkest before the dawn

And I've been fool and I've been blind
I could never leave the past behind
I can see no way, i can see no way
I'm always dragging that horse around
All of these questions, such a mournful sound
Tonight I'm gonna bury that horse in the ground
Cause I like to keep my issues strong
Its always darkest before the dawn

Shake it out, Shake it out
Shake it out, Shake it out, Oh Whoa
Shake it out, Shake it out
Shake it out, Shake it out, Oh Whoa
And its hard to dance with the devil on your back
So shake him off, Oh whoa

And I am done with my graceless heart
So tonight I'm gonna cut it all and then restart
Cause I like to keep my issues strong
Its always darkest before the dawn

Shake it out, Shake it out

Shake it out, Shake it out, Oh Whoa
Shake it out, Shake it out
Shake it out, Shake it out, Oh Whoa
And its hard to dance with the devil on your back
So shake him off, Oh whoa

And its hard to dance with the devil on your back
We're given half the chance, would I take any of it back
It's a final match that's left me so undone
It's always darkest before the dawn

And I'm damned if I do and I'm damned if I don't
So here's to drinks in the dark, at the end of my road
And I run into suffer and I run into hope
It's a shot in the dark and right at my throat
Cause looking for heaven for the devil in me
Looking for heaven for the devil in me
But why the hell did I let it all happen to me, yeah

Shake it out, Shake it out
Shake it out, Shake it out, Oh Whoa
Shake it out, Shake it out
Shake it out, Shake it out, Oh Whoa
And its hard to dance with the devil on your back
So shake him off, Oh whoa

Shake it out, Shake it out
Shake it out, Shake it out, Oh Whoa
Shake it out, Shake it out
Shake it out, Shake it out, Oh Whoa
And its hard to dance with the devil on your back
So shake him off, Oh whoa
