A navy bean is bigger than it seems put it on and don't
ask what it
means
Parade around
Cellophane is thicker than it seems put it on and don't
ask what it
means
Parade around
Shaving cream is thicker than it seems shave 'em off
and don't ask what
it means
Parade around
An angel wing is caught up in the tree if you know
what's best get the
hell away from me!
Parade around
Oh you little navy bean oh you're caught up in the tree
Navy bean, navy bean
Oh you little navy bean oh you're caught up in the tree
Navy bean, navy bean, navy bean, navy bean
Cellophane is thicker than it seems put it on and don't
ask what it
means
Parade around
