THE DISREGARD OF TIMEKEEPING (2:09)

(This song is entirely instrumental.)

WAIT FOR YOU (4:59)

Gone tomorrow one day closer to your heart

Lost around me is time in itself when you're near

Take the time I'll show you the lover for you

You're too young to know what it is that I feel

All that I can do is wait for you...Just wait for you

All that I can do is wait for you...Just wait for you

Full of sorrow, your eyes are too wide and too new

Though I know these feelings I get when you're near

Even I...I can't give you love without fear

You're too young, I don't know what's keeping me here

All that I can do is wait for you...Just wait for you

All that I can do is wait for you...Just wait for you

(guitar solo)

All that I can do is wait for you...Just wait for you

All that I can do is wait for you...Just wait for you

All that I can do...oooooooooh...oooooooooooooh...
