Aah-aah [heyhhhh - Huh-yeahh]
Aah-aah [Huh-huh]

My love, why do you tell me that it's over now?
There was a time you were my all
I want to save the day but I don't know how
You don't answer when I call
You need time and space for everything
Why don't you take your time for me?

Aah-aah
You are in my heart and it's not too late
Aah-aah
Don't leave our love to the hand of fate

I'm so sad against this treat
I don't wanna wait
Don't leave our love to the hand of fate
Here's a chance you've got to take
Please give me a sign
Don't leave our love to the hand of fate

My love, you left me here without a kiss goodbye [hu-hu-hu]
I've been weak while playing strong [hey-hey-hey]
There are even no more tears to cry [jey-jey-jey-jey]
How could something so right go so wrong? [oh-oh-oh-oh-oh]
You need time and space for everything
Why don't you take your time for me?

Aah-aah
You are in my heart
and it's not too late [it's not too late]
Aah-aah [hey-hey-hey]
Don't leave our love
to the hand of fate

I'm so sad against this treat
I don't wanna wait
Don't leave our love to the hand of fate [to the hand of

fate]
Here's a chance you've got to take
Please give me a sign
Don't leave our love to the hand of fate

Aah-aah
Your are in my heart and it's not too late
Aah-aah
Don't leave our love to the hand of fate

I'm so sad against this treat [I'm so sad]
I don't wanna wait [I'm so sad]
Don't leave our love
to the hand of fate [to the hand of fate]
Here's a chance you've got to take
Please give me a sign
Don't leave our love to the hand of fate
to the hand of fate
