You light up another cigarette and I pour the wine
It's four o'clock in the morning and it's starting to get
light
Now I'm right where I wanna be losing track of time
But I wish that it was still last night

You look like you're in another world but I can read your
mind
How can you be so far away lying by my side
When I go away I'll miss you and I will be thinking of
you
Every night and day just

Refrain:

Promise me you'll wait for me
'Cause I'll be saving all my love for you
And I will be home soon
Promise me you'll wait for me
I need to know you feel the same way too
And I'll be home, I'll be home (soon)

When I go away I'll miss you and I will be thinking of
you
Every night and day just

Refrain 2x
