(Freddie Mercury/Mike Moran)

Now the wind has lost my sail
Now the scent has left my trail
Who will find me, take care and side with me
Guide me back safely to my home
Where I belong, once more

Where is my star in heaven's bough
Where is my strength, I need it now
Who can save me, lead me to my destiny
Guide me back safely to my home
Where I belong, once more

Who will find me, take care and side with me
Guide me back safely to my home
Where I belong, once more
