(Adele Adkins/Paul Epworth)

[Garou]

There's a fire starting in my heart
Reaching a fever pitch and it's bringing me out the
dark.

[Jenifer]

Finally, I can see you crystal clear.
Go head and sell me out and I'll lay your ship bare.

[Louis]

See how I leave with every piece of you.
Don't underestimate the things that I will do.

[Florent]

There's a fire starting in my heart
Reaching a fever pitch and it's bringing me out the
dark.

[Garou] The scars of your love remind me of us.

[Jenifer] They keep me thinking that we almost had it
all.

[Florent] The scars of your love, they leave me
breathless.

[Louis] I can't help feeling.

[Jenifer] We could have had it all, rolling in the deep.

[Florent] You had my heart inside of your hand

[Garou] And you played it to the beat.

[Florent, Garou & Jenifer]

We could have had it all, rolling in the deep.

You had my heart inside of your hand

And you played it to the beat.

[Florent, Garou, Jenifer & Louis]

You're gonna wish you never had met me.

Tears are gonna fall, rolling in the deep.

You're gonna wish you never had met me.

Tears are gonna fall, rolling in the deep.

[Florent, Garou & Jenifer]

We could have had it all, rolling in the deep.

You had my heart inside of your hand

And you played it, and you played it to the beat.
