(Ruthann Friedman)

Who's peeking out from under a stairway
Calling a name that's lighter than air
Who's bending down to give me a rainbow
Everyone knows it's Windy
Who's tripping down the streets of the city
Smiling at everybody she sees
Who's reaching out to capture a moment
Everyone knows it's Windy
And Windy has stormy eyes
That flash at the sound of lies
And Windy has wings to fly
Above the clouds, above the clouds
Who's tripping down the streets of the city
Smiling at everybody she sees
Who's reaching out to capture a moment
Everyone knows it's Windy
