Stepping out, louieville slugger
Gonna meet the local rape town mugger
Freedom keep my eye right on the prize
Hey mugger I'll hit between the eyes

Welcome home to the melting pot
No prejudice here , I don't care you'll get shot
Sleep with my back while I hide the truth
Remember love my neighbor, what's the matter with
you

You've schemed - you've lied - you've hit - you've
burned
With my bat swinging says you'll learn
Only need one thing
My date with hate

All locked up, but nothing's safe
Dating alone, our love in dictay(could be something
else)
Under the streetlights, nazi mother
I'm waiting for her, you understand me brother

We swing hard but it ain't no goddamn dance
My knees braces, brains on my bat
Feel alive, having so much fun
A date with my back bed I'm utterly gone(could be
something else)

You've schemed - you've lied - you've hit - you've
burned
With my bat swinging says you'll learn

Only need one thing
My date with hate

We could cross burning bigotriate your fear (could be
wrong)
They are the tools that won't steer me clear
In this rascist world, riots ??????(I have no idea what that
is)
A date with her , our obligation

Stepping out, louieville slugger
Gonna meet the local rape town mugger
Freedom kept my eye right on the prize
Skin headed , I'll hit between the eyes

Welcome home to the melting pot
No prejudice here , I don't care you'll get shot
Sleep with the lies, while we hide the truth
Remember love my neighbor, what's the matter with
you

You've schemed - you've lied - you've hit - you've
burned
With my bat swinging says you'll learn
Only need one thing
My date with hate

You worm - you've lied - you've hit - you've burned
With my bat swinging says you'll learn
Only need one thing
My date with hate

My date with hate
Don't be late
