Damned right out of paradise
It's all right between the eyes
We are all the same at birth
And at the end of a knife

To the grave had it made
Ignorant but mighty brave
No matter how tight the choke
They'll misbehave

Natural enemies
The trouble with you is the trouble with me
Natural enemies
(Natural enemies)
You'll never hear Heaven and nature sing

See no evil or the good
The whole world one neighborhood
A backwards in reverse
Modern day Robin Hood

Everyday lived in suspense
Introductions so intense
Making deals
Without ever making sense

Natural enemies
The trouble with you is the trouble with me
Natural enemies
(Natural enemies)
Oh well, you'll never hear Heaven and nature sing

For what you know, you had to spy
Help to commit suicide
The prize head hanging on the wall
And glorified

The only way to win the game
Is to leave it all the same
Your introduction into
History's hall of shame

Natural enemies
The trouble with you is the trouble with me
Natural enemies
(Natural enemies)
You'll never hear Heaven and nature sing
