Your past your parents just wont last,  
its time to go,  
daddy just wont know.

You wanna leave,  
secrecy decieve.

MYSTERIOUS, TECHNOLOGY OR BUST.

More space, people every where.  
Your face people wouldnt care,  
inhale, breathing without fail.

so cool,  
breaking all the rules.

swing western cost (time some number.)

Your past your parents just wont last,  
its time to go,  
daddy just wont know.

More space, people every where.  
Your face people wouldnt care.

Your past your parents just wont last,  
its time to go,

You wanna leave,
