A young maiden with a demon in her soul,  
A twisted mind with secrets to unfold.  
An innocent face, a deceiving smile,  
Under no suspicion, servant to Belial.

The axe came down...Blood all around...

She lurks possessed, without a sound,  
Butchers her Dam when no one is around.  
The next day her Sire feels her wrath,  
She has no remorse in her merciless bloodbath.

### CHORUS

She's Miss Lizzy, she feels no pain  
The axe came down  
She's Miss Lizzy, she strikes again,

The axe came down...Blood all around

### REFRAIN

Lizzy Borden took an axe, gave her mother forty  
whacks,  
When she saw what she had done, she gave her father  
forty-one.

### REPEAT REFRAIN

### REPEAT REFRAIN

Now before the jury with a solemn face,  
These legendary murders...she left not a trace.  
Lizzy found it so simple to take their lives,  
Today she walks free...Axe by her side...

### CHORUS

She took an axe.
