Yea *laughs* Flow
Don't get mad
Don't get mad
Don't get mad

Do you love me ?
Or do you care ?
Did you mean it when you said that you'll be there ?
Why you lying or are you just playing ?
Don't get mad girl, i'm just saying.
Do you love me or do you care ?
Did you mean when you said that you'll be there ?
Why you lying or are you just playing ?
Don't get mad girl, i'm just saying.

Everybody just confused - get mad !
Cause i abused that shit
They wouldn't choose
They never walked up in my shoes
So they don't know what it's like
Not every pretty gon' be my type
And i know there's more than one way
All i keep telling myself is,
" One Day ! "
I'd be doing shit that you could not imagine
Doesn't mean you happy because you smile and you
laughing.

I love you but they love you too
So this is not only me and you
So i've - moved on
Look back and check who's gone.
I love you but they love you too
So this is not only me and you
So i've - moved on
Look back and check who's gone.

Do you love me or do you care ?
Did you mean when you said that you'll be there ?
Why you lying or are you just playing ?
Don't get mad girl, i'm just saying.
Do you love me or do you care ?

Did you mean when you said that you'll be there ?
Why you lying or are you just playing ?
Dont get mad girl, i'm just saying.

Get'in signed ..
I've dreamed it !
You've been looking for love
And i've seen it
Trust me, must be the person that you are,
Drank a couple beers;
Not old enough to sit up in a bar.

Ask the direction:
Right ahead,
But instead you could be the lady all up in my bed.
Or - we could just go our separate ways
We don't see each other
Man, every minute feel like a day !

I loved you and you knew that
Fake niggus tryna rap,
Don't Do That !
A lot of work went into this new track
So when you hear it, don't be asking,
" Who's that ? "
It's Flow ! You already know.
People gettin' judged 'cause they smell like 'Dro.
And really, man, all this shit is tragic
But Don't Make Fucking 'Round A Habit !

Yea, if we had 'broken hearts',
We would be dead
Cause no blood would be pumping right up into our
heads
So start thinking,
When a broken start drinking,
And see how fast your real heart start breaking
I've just awaken,
Nigguh seeing shit clear.
Did you really mean when you said that you'll be there ?
I know that you've been here

Flow always gon' make a hater disappear
Yea, I make a hater disappear !
Do you love me or do you care? (don't get mad)
Did you mean when you said that you'll be there?
(don't get mad)
Why you lying or are you just playing?
Dont get mad girl, i'm just saying.
Do you love me or do you care? (don't get mad)
Did you mean when you said that you'll be there?

(don't get mad)
Why you lying or are you just playing?
Dont get mad girl, i'm just saying

Don't get mad, girl
Don't get mad
Don't get mad
Don't get mad
'Cause I'm just saying

Don't get mad
Don't get mad
Don't get mad
Don't get mad
Care - Did you mean it when you said that you'll be
there ?
