

## Flow "Soul Colored Clay"

Visit "[Soul Colored Clay](#)" on MotoLyrics.com

Have you ever felt alive -  
You could bend and dive,  
By this word - "Alive"?  
What a sight it would be,  
To manifest your soul colored clay,  
You'd pray -  
I have.

Ooh...  
You'd pray I have.

Have you ever felt so blue -  
You could be grasping for,  
The newest shade of bright,  
To light, your darkest most disturbing thoughts?  
I know -  
I have.

Ooh...  
I know I have.

Have you ever felt so lost -  
You could be chasing for,  
The cost of an easy path,  
To walk?  
To walk?  
To walk?

Ooh...  
I know I have.
