Doo doo doo ....  
La la la la la la la ....

Let's go to San Francisco  
Where the flowers grow so very high  
Sunshine in San Francisco  
Makes your mind grow up to the sky

Lots of sun-sun-sunny people  
Walking hand in hand  
They're not funny people  
They have found their land

Let's go to San Francisco  
Let the wind blow right through your hair  
Go down to San Francisco  
See the love grow on people there

Pa pa pa pa ....  
Let's go, let's go  
Let's go to San Francisco

Let's go to San Francisco  
Where the flowers grow so very high  
Sunshine in San Francisco  
Makes your mind grow up to the sky

Let's go, let's discover it  
Let's go, let's discover it  
Let's go, let's discover it ....
