What would people say?  
What would people do?  
What would people think  
If people knew I was with you?

Makin love  
Makin la-ah-ah-ah-ove  
Makin love

What would people think?  
What if people knew?  
Instead of bein off to school  
All day I was with you

Hat they do  
I don't care what they care about  
All I ever care about is yooou...

Makin love

Makin love

Would people start to talk?  
Would people start to frown?  
If people knew the things we say  
Would envy over town

What would the teacher do  
If the teacher knew  
Wes out all day

Makin la-ah-ah-ah-ove  
Makin love  
Makin la-ah-ah-ah-ove  
Makin love

I don't care what they think  
Don't care what they do  
I don't care what they care about  
All I ever care about is you

Love

Makin love...
