Cousin Mary was a lady who could really hold her own  
She went fighting for her country  
She went fighting for her home  
Then there's the time she lost her husband  
He was fighting for the right  
She'll be leaving in the morning  
Won't you please say goodnight

(Harmonica pattern)

All the money in the world  
Couldn't tie old Mary down  
You can believe her when she tells you  
She's had her turn around  
There could be knights and kings in amour  
Horses waiting just to fight

She'll be leaving in the morning  
Won't you please say goodnight  
She'll be leaving in the morning  
Won't you please say goodnight  
Oh lovely lady  
Oh lovely lady always out there (pause)  
She'll be leaving in the morning  
Won't you please take good care

(Harmonica)

Oh lovely lady  
Oh lovely lady  
Always out there (pause)  
She'll be leaving in the morning  
Won't you please take good care

(Harmonica)
