In a bar last Saturday  
I got a beer in my hand and a cheeseburger on its way  
There's some sport on the T.V. screen  
It was the best damn game of football I'd ever seen

Then she came into my life  
I knew right then she would be my wife  
Cause I fell in love

She wore a shirt, it was oh so tight  
She had little tight orange shorts that shone so bright

When she smiled, when she smiled at me  
My old heart, it missed a dozen beats

Cause I fell in love with a Hooters girl and it's driving  
me wild  
I lose my cool every single time she's in my mind  
She's taken control of everything in my world  
I fell in love with a Hooters girl

I've been back most every day  
And I sit and I watch her work and I try to say  
Say what's on my mind, to say how I feel

But when she comes across I just order another meal

When she smiles, smiles at other guys  
It makes me so mad I just wanna cry, cry out loud

I'm in love with a Hooters girl and it's driving me  
wild  
I lose my cool every single time she's in my mind  
She's taken control of everything in my world  
I fell in love with a Hooters girl

I don't know what I'm gonna do  
I've gotta show her my love is true  
I have to show her that I'm better than all the rest  
But how can she take me seriously when I'm staring at  
her chest

Iâm in love with a Hooters girl and itâs driving me  
wild  
I loose my cool every single time sheâs in my mind  
Sheâs taken control of everything in my world  
I fell in love with a Hooters girl
