I gave him head  
On his teenage bed  
Didn't want to  
But I never said

Chorus

His strawberry flavour words  
Are turning me, drawing me  
I wake up feeling cheap  
And beginning to bleed  
And I don't know how, and I don't know why  
I feel so cheap

Wanna please  
But begin to freeze  
Can't wait to go  
Chance I gotta seize

Chorus

In his Ford  
Feeling clawed  
My bleeding  
Makes me feel whored

Chorus x 2

1st verse repeated
