I don't even know myself
Everything I think is you
I don't even take a breath
Until you've told me to
Chorus
My lie is true, My lie is true
It is I swear to you
My lie is true, My lie is true
It is I swear to you
You don't want to
You don't want to see me crawl
Do you know how hard I try
To never let you see me cry
I seem to have too much control
and now I feel cold
Chorus
I don't want to
I don't want to
I don't want to want to want to
I don't want you
I don't want you
I don't want you want you want you
You don't want to
You don't want to see me crawl
And I don't even know myself
Every thought I think is you
I don't even take a breath
Until you have told me to
Chorus
You don't want to
You don't want to see me crawl
No, you don't want to
No, you don't want to see me crawl
