Overwhelmed, savage sculpture
Vibrating scream, eat me like a vulture
Burns me up quickly, can't slow down
Need to get higher where I can't be found
Chorus
Got reach my super climax
Although the pleasure gives me pain
I'm shooting, shooting to a hypersonic plane

Yeah baby
Hypersonic, oh yeah
Gotta thrust further, gotta touch the cream
On ice sculpture with its sparkling gleam
Melts me quickly, can't slow down
Need to get higher where I can't be found
Chorus
1st verse repeated
Chorus
