I've set my house on fire
I've gone out in drag
And I've split the atom
I've crashed the hardest diamond
I've drunk the deepest sea
I've rocketed to uranus

Chorus

And now there's
Nothing anymore
Nothing makes me
Happy anymore
Nothing x 6
Makes me happy anymore

I ate my bed and breakfast
I've turned my red cells blue
And I've chilled the arctic
I've jumped off a building
And I've flown home
I ran away to mexico

Chorus
