Sunday want you as my breakfast in bed
Monday want you as my breakfast in bed
Tuesday want you as my breakfast in bed
Wednesday want you as my breakfast in bed
Thursday want you as my breakfast in bed
Friday want you as my breakfast in bed
Saturday I want you as my breakfast in bed
Everyday I want you as my breakfast in bed

When you wake up
You make me wake up
I love seeing your beautiful face when I wake up
I love seeing your beautiful face without make up
Cause you look the best without make up
Babe I love the way you make the bed up
If we break up I'll do anything to make up
I never ever wanna break up
All I wanna do is make up
Cause you cheer me up like cherrios
Nutritious for me like nutri-grain
And your special like special k
Hate the way you make me crave
Over you like a bowl of kraves
Love the way you call me cap'n crunch
When you crunch on my crunchy nuts (lego)
That's why you got me going nuts

Sunday want you as my breakfast in bed
Monday want you as my breakfast in bed
Tuesday want you as my breakfast in bed
Wednesday want you as my breakfast in bed
Thursday want you as my breakfast in bed
Friday want you as my breakfast in bed
Saturday I want you as my breakfast in bed
Everyday I want you as my breakfast in bed

All I wanna do is give you kisses (mwah)
Kisses that are sweeter then Hershey's kisses (haha)
Then lick your body like liquorish (lala)
And chew you up like chewits (ahh)
Eat you up... (mmm)

Then swallow you down into my system
Cause I need you in my system
I can't get you out of my system
Cause you cheer me up like cherrios
Nutritious for me like nutri-grain

And your special like special k
Hate the way you make me crave
Over you like a bowl of kraves
Love the way you call me cap'n crunch
When you crunch on my crunchy nuts (lego)
That's why you got me going nuts

Sunday want you as my breakfast in bed
Monday want you as my breakfast in bed
Tuesday want you as my breakfast in bed
Wednesday want you as my breakfast in bed
Thursday want you as my breakfast in bed
Friday want you as my breakfast in bed
Saturday I want you as my breakfast in bed
Everyday I want you as my breakfast in bed

Cause you are my one and only love
That I'll love through out life, through out life
Cause you cheer me up like cherrios
Your nutritious for me like nutri-grain
And your special like special k
But I hate the way you make me crave
Over you like a bowl of kraves
But I love the way you call me cap'n crunch
When you crunch on my crunchy nuts
That's why you got me going nuts

Sunday want you as my breakfast in bed
Monday want you as my breakfast in bed
Tuesday want you as my breakfast in bed
Wednesday want you as my breakfast in bed
Thursday want you as my breakfast in bed
Friday want you as my breakfast in bed
Saturday I want you as my breakfast in bed
Everyday I want you as my breakfast in bed

Sunday want you as my breakfast in bed
Monday want you as my breakfast in bed
Tuesday want you as my breakfast in bed
Wednesday want you as my breakfast in bed
Thursday want you as my breakfast in bed
Friday want you as my breakfast in bed
Saturday I want you as my breakfast in bed
Everyday I want you as my breakfast in bed
