"See Thru You"

Everybody loves the way, they do
Oh, everybody cares a lot, they do
Everybody knows our love will do
And they'll see through you

Everybody loves the way, they do
Oh, everybody cares a lot, they do
Oh, everybody knows our love will do
And they'll see through you

No one ever knows how I love you
No one ever feels like I feel you
Oh, no one understands the way you do
And I'll see through you

Oh, no one ever knows how I love you
No one ever feels like I feel you
Oh, no one understands the way you do

I'll see through you

Everybody loves the way, they do
Oh, everybody cares a lot, they do
Everybody knows our love will do
And they'll see through you

No one ever knows how I love you
No one ever feels like I feel you
Oh, everybody knows, and they'll see...
see through you
