I've got a boy hangover
It's really nothing new
I'm feeling sick and sober
And it's because of you
Drank you like cheap tequila
You made me feel so good
Wish now I'd never seen ya
Just like I knew I would

I got drunk on love
Cause I can't get enough

You're like an Irish coffee
You make me high and low
And icy cold martini
Done dirty don't you know
You made my body tingle
You made my mind go numb
You made me dizzy dreaming
That you could be the one

I got drunk on love
Cause I can't get enough
I got drunk on love
Cause I can't get enough
Oh, my heart
Is tried of breaking - constant aching
Oh, my heart
Needs a drink of love

Your like a whisky sour, lemon drop
Margarita, j&f&nger shot
Moonshine in the bathtub, Cristal up in the club
Goldschl&f&nger, dry gin
Babe you make my head spin
Knew that you would make me drop
Cause once I start
I just can't stop

I got drunk on love
Cause I can't get enough
I got drunk on love

Cause I can't get enough
I got drunk on love
Cause I can't get enough
