Kasa no shita
Kare wa nande ai wo chikatta no kogoe de
Amagumo nogarete nao harenai kao
Kono machi de kudaketa kokoro korogashite wa
Just thinking out loud
Furimaku egao urahara ni
Broken hearts, city lights
And me just thinking out loud
Kouzen to koe takaraka ni tonoeeta yume wa kiete
Asa ni natte
Mada nigitteta shin'nen dake baggu ni tsumete
Arukidasou like everybody does

Manseki no eigakan de tsugi no serifu kuchi wo tsuku
Tonari no fuun na kappuru fuman de taijou
Kono machi de shiawase. fushiawase ni magire
Just thinking out loud
Kono yo wa nita mono darake ne
Broken hearts, city lights
And me just thinking out loud
Heizento soto ja furumatte
Uchi de tsubureta tte ii no
Asa ni natte mada kawakanai
Namida nante nai n' dakara
Sou sou... like everybody does

"Eikou" seikou" da nante hitonigiri
"Zanzou" "aizou" ni michita machi de
Asu no hikari wa
Is it easy, easy to find?
Mirai wa yasashii no kana

Kudaketa kokoro korogashite wa
Just thinking out loud
Shiawase. fushiawase ni magire
Just thinking out loud
Kagayaku tokai no katasumi de
Just thinking out loud
Kono yo wa hanpamono darake ne
Broken hearts, city lights
And me just thinking out loud

Out loud
