How much to know  
How far to go  
Still don't know  
But never too much to show  
You ask me to let you be a man  
But what's that supposed to mean, Mr.?

Is hiding better than telling the truth?  
It ain't deep enough  
It ain't tight enough  
Is hiding wiser than sharing the thoughts?  
It ain't deep enough  
It ain't tight enough

All I ask you for is  
Communication  
All I ask you for is  
Communication

One day you'll be a super star  
Then I'll be more scared of your mystique  
Please make me feel that I am special  
Don't be so private to me

Is hiding better than telling the truth?  
It ain't deep enough  
It ain't tight enough  
Is hiding wiser than sharing the thoughts?  
It ain't deep enough  
It ain't tight enough

All I ask you for is  
Communication  
All I ask you for is  
Communication
