Tempted and tried we're oft made to wonder why it  
should be thus all the day long  
While there are others living about us never molested  
though in the wrong  
Farther along we'll know all about it farther along we'll  
understand why  
Cheer up my brother live in the sunshine we'll  
understand it all by and by  
[ ac.guitar ]  
When we see Jesus coming in glory when he comes  
from that home in the sky  
Then we shall meet him in all his glory we'll understand  
it all by and by  
Farther along...  
We'll understand it all by and by
