"Hangin' On"

It's true you have me twisted around your finger it
seems that's where I belong
You know how to hold me to thrill me and control me
Just enough to keep me a hangin' on on just enough to
keep me hangin' on
My heart is like a yo-yo on the string I'm tied to you
right or wrong
My love keeps a growing cause your love keeps a
showing
Just enough to keep me a hangin' on on just enough to
keep me hangin' on
A love as strong as mine will let me do most anything
Like hiding tears of heartaches and dreaming silly
dreams
You've got me where you want me you keep stringing
me along
Just enough to keep me a hangin' on on just enough to
keep me hangin' on
