Wakakari shi hi o omou archaic smile

Togatta jinsei wa tsurai no ka
Keiken to iu mono o subete
Hohoemi no kate to suru no ka
Nigai omoide wa shouka suru no ka

Oh... how can you smile?
Where does that smile come from?
Oh... how can you smile?
Tell me how to smile.

Shinayaka ni kakareta kotoba no otoshiana ni kidzuku

Where does that smile come from?
Oh... how can you smile?
Tell me how to smile... smile...
