Owaranai koto owarasenai koto  
Taisetsu na hito taisetsu ni shitai hito  
Itsuwatta hodo itsuwareta no motto  
Aishiteru koto aishitsudzukeru koto ga

Uh anata ni todokeba ii

I lied to you and you lied to me, so  
I lied again but that lies on me  
Why didn't I quit it, what a fool...  
We went on until the dawn

I lied to you and you lied to me, so  
I lied again but that lies on me  
Now I try to trust you and confess  
If you don't doubt, if you don't laugh...

Itte ii koto iwazu ni iru koto  
Kuruoshii hodo kuruwasareta shitto  
Kawatteku koto kawarazu ni iru jitto  
Miushinau koto miushinatte naita koto ga

Uh ashita ni tsudzukeba ii

I lied to you and you lied to me, so  
I lied again but that lies on me  
Why didn't I quit it, what a fool...  
We went on until the dawn

I lied to you and you lied to me, so  
I lied again but that lies on me  
Now I try to trust you and confess  
If you don't doubt, if you don't laugh...

Uh uso de hajimereba ii

I lied to you and you lied to me, so  
I lied again but that lies on me  
Why didn't I quit it, what a fool...  
We went on until the dawn

I lied to you and you lied to me, so  
I lied again but that lies on me  
Now I try to trust you and confess  
If you don't doubt, if you don't laugh...
