Chika chika BOOM chika chika BOOM BOOM
Whenever I'm with you I'm lookin' like a fool
Chika chika BOOM chika BOOM BOOM
Kimi ni muchuu, cuz you're something like a muse
Chika chika BOOM chika chika BOOM BOOM
Cuz you something when you move,
So put on your dance shoes
Chika chika BOOM chika BOOM BOOM
I don't like groups
So let's move in two's... cuz
Many chicks act cute,
But they not what I'm lookin for
The words that you choose be futsuu ni uchuu so
