You were so quiet  
I was so cold  
You were the only one that saw that side of me  
I was so anxious rearing to go  
But I never thought I'd have to compete  
But baby if that game is on  
I guess I'll have to play along

Cause your mine  
You belong to me  
Even if I sang goodbye  
You'll always be my property  
And I won't lie  
It hurts to watch you look at her that way  
Can't help but wonder if she's better, is she better than  
me?  
And how we use to be

It couldn't have lasted  
We were so wrong  
I don't even miss how soft and warm you use to be  
Now you so happy, now that I'm gone  
But you wouldn't be the man you are without me  
I may have let you go but I just have to let her know

That you are mine  
You belong to me  
Even if I said goodbye  
You'll always be my property  
And I won't lie  
It hurts to watch you look at her that way  
Can't help but wonder if she's better, is she better?

And I am trying to believe  
You're kissing her  
You're missing me  
I'm over you but boy you still want shotgun  
You can deny  
But you know it's true  
I'll always own a part of you  
But I can't let go

Run as far as you can get  
But I will not let you forget

You belong to me, you belong to me

Because your mine  
You belong to me  
Even if I said goodbye  
You still mean the world to me  
And I won't lie  
It hurts to watch you look at her that way
