Kitai shinaide ikite yukeru hodo
Otona dewa naku mata kodomo demo nai
Itami wo shitte okubyou ni nattemo
Kimi ga hitsuyou nan da to
Mada yume wo mite iru yo

Hitori dewa nanimo ai seya shinai
Hitori ja nanimo kaerareya shinai
Nemurenai yoru mo
Anata ni au yume no naka ni iru yo

Yurusarenaide ikite yukeru hodo
Tadashiku wa naku mata kijou demo nai
Ikenai koto wo shite sono te wo yogoshitemo
Sukuwareru to shinjite
Mada yume wo mite iru yo

Hitori dewa nanimo ai seya shinai
Hitori ja nanimo kaerareya shinai
Nemurenai yoru mo
Anata ni au yume no naka ni iru yo

I am so blind as to dream
To fall into a stream of illogical love
You are my dawn when I'm alone
Yume wo miru yo
Nemurenai yoru demo
