Sayonara no kassai wo ukete mou ichido arukidasu
Brand-new na jinsei wo kimi nashi de
Suteta mono wo kakidashitemo kaeranai
Nai itsumo no genki nante

Natsu ga kite one step aki ga kite two steps
Fuyu ga kite haru wo matsu koro
Sotsugyou dekiru ka na

Ever since you saw me cry
Ever since you heard me curse
Ever since the nocturne fainted away
My home had been you

Koko kara tte itta no wa watashi datta
Oto wo agete kakkou tsukanai shoubu
Sagashitatte windoo ni mo utsuranai
Nai itsumo no sugata nante

Natsu ga kite one step aki ga kite two steps
Fuyu ga kite haru wo matsu koro
Jiyuu ni nareru ka na

Ever since you saw me cry
Ever since you heard me curse
Ever since the nocturne fainted away
My home had been you

The nocturne is back
The nocturne is back in me
