Over the brown bridge  
Uh-oh, do you see  
A tall town for the dreamers?  
Over, it was over  
Uh-oh, before it starts  
What's the point to cross over?  
I was hoping that you realize  
It's just a town for the tumblers  
I was hoping that you wake up  
And wake me up

Over the brown bridge  
Uh-oh, I can see  
A small town for the gamblers  
Over, it was over  
Uh-oh, because they were  
Too blind to ignore things  
I was hoping that you realize  
It's just a town for the hypocrites  
I was hoping that you wake up  
And wake me up

After all, they are still dreaming  
After all, the problem's left  
Behind Statue  
After all, they are still dreaming  
After all...

Over the brown bridge  
There's something going on  
Over the brown bridge  
There's ups, the middle and downs  
I was hoping that you realize  
It's just a town for the wanderers  
I was hoping that you wake up  
And wake me up

After all, they are still dreaming  
After all, the problem's left  
Behind Statue  
After all, they are still dreaming

After all...

People are still hanging in there  
Over the brown bridge  
I see myself again
